## DAHLIAS

To those unacquainted with the Newer varieties of Dahlias, we make the selection for them, and it is sure to please. Send the amount you wish to spend and we will make up a collection that will be a pleasure and a surprise when in bloom.

Many of our customers who see our fields of dahlias in bloom, leave it to us to make a selection for them. Why not you, who do not see them?

Our Dahlia Roots are carefully inspected when packing for shipment to you to make sure that there is an eye on the tuber, this will insure you growth.

We wish to please our customers the very best we can—if tubers fail to grow on account of not having an eye, we will replace them free of charge.

Only the very best of stock is sent to you. Gladioli prices are for large size bulbs and will flower first season.

Any varieties not listed here, write for prices.

Give us a trial with your order for spring shipment and avoid disappointment.

To Please You is Our Pleasure.
